Oil-only · Grab and go

Oil Spill Kit

Carry bag 52 x 42 x 12 cm · 6 kits per box

Everything one person needs for a drum or machine spill, in a bag that hangs on the wall of a truck or a shop. Fifteen oil-only pads and three socks take up to 9.1 US gallons (34.4 litres) of oil between them, with gloves, goggles and a disposal bag to finish the job. The sorbents repel water and float, so the kit works outdoors, on a wet floor and on water. Assembled in Newmarket, Ontario from sorbents we make ourselves.

9.1 gal	15	3	6	Canada
ABSORBED PER KIT	OIL-ONLY PADS	OIL-ONLY SOCKS	KITS PER BOX	COUNTRY OF ORIGIN

IDENTIFICATION			
Product code	GS-SK-01	Brand	GreenStrength
Kit type	Portable carry bag	Sorbent type	Oil-only (hydrophobic)
Country of origin	Canada	Lot traceability	Lot number per pallet
WHAT IS IN THE KIT			
Oil-only pads	15 — 15" x 19"	Oil-only socks	3 — 3" dia x 4 ft
Safety gloves	1 pair	Safety goggles	1 pair
Disposal bag	1 hazardous waste bag	Carry bag	52 x 42 x 12 cm, zipped
PERFORMANCE			
Total absorbency	Up to 9.1 gal / 34.4 L	From the pads	15 x 0.98 L = 14.8 L
From the socks	3 x 6.5 L = 19.6 L	Fluids absorbed	Oil, diesel, fuel, hydraulic
Absorbs water	No — repels, floats	Incinerable	Yes — burns clean
Test method	In-house, ASTM F726-17 method	Test fluid	SAE 20 non-detergent oil

PACKAGING & SUPPLY			
Sold as	1 kit	Kits per box	6
Net weight per kit	4.14 lb / 1.88 kg	Boxes per pallet	16 (96 kits)
Net weight per pallet	397 lb / 180 kg	Shelf life	Indefinite, stored dry
Minimum order	One pallet per item	Shipping point	Newmarket ON / Calgary AB

FLEET	WORKSHOPS	MARINE	CONTRACTORS
One kit per truck, hung behind the seat	At the drum store and the press line	Dock, boat and fuelling point	In the site trailer and the service van

Questions we are asked

How much oil does one kit absorb?
Up to 9.1 US gal (34.4 L) — 15 pads at 0.98 L each plus 3 socks at 6.5 L each.

Will the sorbents absorb water?
No. They repel water and float, so the kit works outdoors and on water.

Can the contents be changed?
Yes — pad count, sock count, PPE and the bag, including your own branding.

Can I buy direct from the manufacturer?
Yes — minimum one pallet, ex-works Newmarket, Ontario or Calgary, Alberta.

> Ordering — minimum one pallet per item. Custom kit contents, custom bag and private-label printing available on request. Refill pads and socks sold separately.

Absorbency figures are typical values from our own in-house testing, carried out following the ASTM F726-17 method in SAE 20 non-detergent oil at room temperature; volumes at an oil density of 0.88 kg/L. ASTM F726-17 is a test method, not a certification. Figures are given as a guide and not for specification purposes. GreenStrength is a brand of Precambrian Products Inc.
