SPEC SHEET

GS-UP-1519-L

Revision 2026-11-22

GREEN STRENGTH

Sorbents by Precambrian Products Inc.

Lightweight · All fluids

Universal Absorbent Pad

15" W x 19" L · 200 pads per bag

One pad for every fluid on the floor — oil, water, coolant and solvent. One bag of 200 pads takes up to 30.1 US gallons (114 litres), one pad up to 0.57 L (19 fl oz). Lightweight meltblown polypropylene, 100% virgin resin: it wicks fast, stays in one piece when saturated and leaves little lint behind. Made in Newmarket, Ontario and sold direct from the manufacturer.

30.1 gal	0.57 L	15 x 19"	14.2 lb	Canada
PER 200-PAD BAG	PER PAD	PAD SIZE	BAG WEIGHT	COUNTRY OF ORIGIN

IDENTIFICATION			
Product code	GS-UP-1519-L	Brand	GreenStrength
Grade	Lightweight	Sorbent type	Universal (all fluids)
Country of origin	Canada	Lot traceability	Lot number per skid
MATERIAL & DIMENSIONS			
Pad size	15" x 19" / 38 x 48 cm	Material	Meltblown polypropylene
Construction	Single layer, ultrasonic weld	Resin	100% virgin, no regrind
Colour	Green	Surface	Low-texture, low-lint
PERFORMANCE			
Absorbency per bag	Up to 30.1 gal / 114 L	Absorbency per pad	Up to 0.57 L / 19 fl oz
Absorbency range	30 – 39.9 US gal	Fluids absorbed	Oil, water, coolant, solvent
Not for	Aggressive chemicals	Wringable	Yes
Incinerable	Yes — burns clean	Shelf life	Indefinite, stored dry
Test method	In-house, ASTM F726-17 method	Test fluid	SAE 20 non-detergent oil
PACKAGING & SUPPLY			
Sold as	200 pads per bag	Net weight per bag	14.2 lb / 6.4 kg

Bags per skid	36 (7,200 pads)	Net weight per skid	511 lb / 232 kg
Minimum order	One skid per item	Shipping point	Newmarket ON / Calgary AB

MAINTENANCE	MACHINING	TRANSPORT	FACILITIES
Leaks, drips and unknown fluids on the shop floor	Coolant, cutting fluid and washdown water	Fleet, rail and heavy equipment bays	Production lines, warehouses, loading docks

Questions we are asked

Universal or oil-only — which do I need?

Universal takes every fluid including water. Oil-only repels water and floats — use it outdoors and on water.

Can I buy direct from the manufacturer?

Yes — minimum one skid, ex-works Newmarket, Ontario or Calgary, Alberta.

Which weight should I buy?

Heavyweight for heavy leaks, mediumweight for everyday maintenance, lightweight for wiping and light drips.

Do you ship to Alberta and western Canada?

Yes. Stock is held in Ontario and in Calgary, and ships across Canada and the US.

> Ordering — minimum one skid per item. Custom sizes, custom bag counts and private-label printing available on request. Also made as an oil-only pad in heavyweight, mediumweight and lightweight.

Absorbency figures are typical values from our own in-house testing, carried out following the ASTM F726-17 method at room temperature. ASTM F726-17 is a test method, not a certification. Figures are given as a guide and not for specification purposes. GreenStrength is a brand of Precambrian Products Inc.
